## SECTION 04, TOWNSHIP 15 SOUTH, RANGE 11 EAST

FORMERLY

Review of Documents referenced in this note reveals long-standing confusion regarding W line of lot 22. It seems clear enough that 11746/8288 & 11899/6166 were expected to bisect the 1327.8' stretch of Duke property East of road, leaving no gap.

Recommend parcel '7G' shifts Easterly so dims reach the east edge of R.O.W. instead of lot edge, allowing common bndry with new split, (PCL '7J & 7H') DKT-11899/6166, matching dims to more likely physical disposition. RK 12/17/02
