=====

To ensure proper classification is assigned to your residential property, this office requires additional verification of property use. As of July 1, 2011 the definition of owner occupancy has changed and is now referred to as PRIMARY RESIDENCE. This application will verify that the correct classification is assigned to your property.

PRIMARY RESIDENCE DEFINITION:

Primary Residence is your one and only main residence where you or a qualified family member resides. You can have only one primary residence no matter how many homes you own. If the property listed is used as a vacation home, leased or rented to a non-qualified family member or if you claim a home in another state as your primary residence, the listed home cannot qualify as a primary residence.

If you have questions concerning this matter, please contact our office at (520) 724-8630
