## SOLANO ESTATES BLOCK 3 DETAIL 3

NOTE: Blk. 3, Solano Est. was resubdivided into Quincy Park, Book 26, Page 18, Maps & Plats, on 4/8/74. However, the signer of the plat, Stephen H. Robin, had only a vendee's interest. Since then the courts (Superior Court Case # 154604) stripped Robin of the vendee's interest. The settlement included a splitting of the property with Robin receiving the S. 608.33' of former Blk. 3 (Docket 4762/224), and L. & W. Construction the remainder. In spite of the court describing the property as Blk. 3, Solano Est., the County Attorney's Office states that Quincy Park is a legal subdivision. Therefore, the Assessor is assessing the property in question as Quincy Park rather than Blk. 3, Solano Est.
